## **EXHIBIT G**

### **Explanatory Notes**

1. In our proposal of December 26, 2018, Estrella proposed a 20% discount on its attorney's rates and a 5% discount in paralegal rates. This leads to a reduction in our billing rate from \$350 to \$280/hr.; from \$325 to \$260; and so on across the board in our fee schedule.
2. In order to comply with the billing guidelines, we have divided certain entries to avoid block billing. However, these entries entail the review of GO Bonds Pro se Participation by individuals either notified to our Firm directly or filed with and entered with the docket by the Clerk of the Court. We are mindful of the unfairness of billing 0.1 entries for reviewing documents that contain 1 or 2 pages. Thus, we have joined these notices together so that these reflect the actual time spent in reading those notices.

**PRINCIPAL CERTIFICATION**

I hereby authorize the submission of this First Monthly Fee Statement for Estrella, LLC covering the period from July 1, 2019 through July 31, 2019.
